We would like to begin our first joint letter with gratitude to our generous fundholders, who continue to have a profound impact throughout the entire charitable community by recommending more than \$397 million in grants in FY 2017. It is truly our privilege to facilitate your grant-making, and we are pleased to report yet another year of growth and service to the Jewish community. By choosing JCF to facilitate your charitable giving, you further enable us to support local Jewish programs and initiatives from our endowment, the Special Gifts Fund, and change lives for the better—creating the double bottom line with what your funds are able to do.

We would also like to express our profound appreciation to our past president, Noel J. Spiegel. We feel blessed to have benefited from his leadership, vision, integrity and dedication. For the past decade, Noel has served as Chair of the Audit Committee, Chair of the Executive Committee, and then served a two-year term as President. In each role, Noel had the unique ability to balance attention to detail while always keeping an eye on the big picture, and JCF has gained tremendously from his leadership.

We are pleased to report that JCF approved grants of more than \$1.35 million in FY 2017 from the Special Gifts Fund to Jewish charities selected by our trustees, with the assistance of UJA-Federation of New York. The Special Gifts Fund grants will be used to establish a digital choice kosher food pantry at the Central Queens YM & YWHA; construct a new base camp at The Henry Kaufmann Campgrounds on Long Island; construct a sensory gym at The Harold and Elaine Shames JCC on the Hudson; support Selfhelp's "Coffee Houses" for Holocaust survivors; fund scholarships for children from low-income families to the JCC of Manhattan's Camp Settopa, and extend our sponsorship of a unique intergenerational Holocaust program called Witness Theater. Details about these grants and our collective impact as a network of nearly 9,000 people can be found on the following pages.

As a JCF fundholder, you know first-hand that a donor advised fund is a valuable tool to streamline your philanthropy and help you to be more strategic and thoughtful with your charitable giving. Here at JCF, we continue to create and share educational resources to assist you in meeting your philanthropic goals. In order to bring you further insights from the top thought leaders in philanthropy, JCF has partnered with the Jewish Funders Network (JFN) to create an educational series on Strategic Philanthropy. A few months ago we held our second session, a panel discussion on Tools for Philanthropic Impact with leading Jewish funders from JCF and JFN, followed by an informative webinar. You can view recordings of past donor educational events on our YouTube channel: www.jcfny.org/youtube, and you can also subscribe to be updated going forward.

JCF continues to be the country's largest and most active Jewish donor advised fund, managing over \$1.5 billion in charitable assets for almost 3,500 funds. We are always working to enhance our service offerings and improve our technology. In the coming year, we will be updating you about our recently completed strategic plan. We are grateful for the input from many of you who responded to our survey, and we look forward to continuing to improve our service to our valued network of donors. Thank you for your continued partnership and trust.

Our Fundholders' Generosity Strengthens Jewish Life

When you choose JCF to facilitate your charitable giving, you are making a powerful statement about giving as a Jewish collective to a broad range of charitable causes in all sectors.

JCF fundholders also benefit from “double bottom line” returns – their fees are reinvested in the Jewish community in the form of a \$2 million gift to the UJA-Federation of New York’s annual campaign, as well as Community Gifts to Jewish organizations from JCF’s endowment, the Special Gifts Fund.

INVESTMENTS

In consultation with its investment advisors, the Investment Committee of the Jewish Communal Fund periodically reviews investments and establishes investment policies. These policies are designed to:

- (1) ensure that donor contributions and fund assets are continuously invested;
- (2) maximize investment returns in relation to risk;
- (3) maintain varied investment alternatives that are suitable for various philanthropic plans;
- (4) ensure that operating expenses are minimal and competitive;
- (5) ensure that funds are readily available for grant making.

When a donor advised fund is established, the first \$5,000 (or such lesser amount for funds with a lower threshold) must be invested in one or both of our primary investments: an institutional money market fund and/or a short-term bond fund, both managed by BlackRock. Donors may request to have the proceeds in excess of the first \$5,000 invested in our investment options, with a minimum of \$2,500 per investment option. Donors may exercise this privilege each time a contribution is made and may recommend a reallocation of the assets in the fund four times each calendar year.

Pre-Set Investment Portfolios

In addition to the customized investment allocation options mentioned above, fundholders can choose from the following Pre-Set Investment Portfolios: Money Market Portfolio, Conservative Portfolio (\$25,000 min), Moderate Portfolio (\$50,000 min), and Aggressive Portfolio (\$50,000 min). To view the underlying investments within each of the Pre-Set Portfolios, please visit the JCF website.

Privately Managed Accounts

Donors with over \$55,000 in assets may opt to invest in one of four privately managed accounts. These accounts are: Eagle Capital Management, Gabelli Asset Management (GAMCO), Horizon Asset Management, and Neuberger Berman, LLC. A minimum investment of \$50,000 is required to invest in any one of these accounts.

Private Investment Managers

Donors with a fund balance of over \$500,000 may choose from a selection of approved additional investments that span equities, fixed income and hedge fund strategies. In general, the investments on this platform offer limited liquidity or may utilize more complicated strategies than those on the standard platform.

Donors with fund balances over \$1 million may also recommend that the assets be invested with, or managed by, managers that currently are not part of the Jewish Communal Fund's investment program. These recommendations will be considered on a case-by-case basis and subject to particular criteria that include, but are not limited to, the type of investment program and strategy, stability of management, long-term performance, volatility of results, regulatory compliance, reputation, liquidity, fees and expenses, and transparency of transactions. JCF will refer the request to our investment consultants for their review. They, in turn, will report their findings to the JCF Investment Committee. The decision as to whether to approve a particular investment manager is within the sole and absolute discretion of the Investment Committee.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
 Jewish Communal Fund
 New York, New York

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the Jewish Communal Fund (an entity of a sole member) ("JCF"), which comprise the consolidated statements of financial position as of June 30, 2017 and 2016, the related consolidated statements of activities, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

JCF's management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgments, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Jewish Communal Fund, as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

[June 30, 2017 and 2016]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES

[1] Organization:

The Jewish Communal Fund ("JCF") was organized in 1972 as an independent, public charity (not a private foundation) under the not-for-profit corporation law of the State of New York. Through donor-advised funds, JCF offers individuals and families a way to simplify their charitable giving and to plan their philanthropy over time. JCF extends to donors or their successors the privilege of recommending grants from their funds to the qualified charities of their choice. The United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. ("UJA") is the sole member of JCF.

JCF is, in turn, the sole member of Jewish Communal Fund Holdings LLC (the "LLC"). The LLC is a limited liability, not-for-profit corporation organized in New York in September 2001 and was established to hold certain donations from time-to-time, as JCF deems necessary. The financial statements of the LLC have been included in the accompanying consolidated financial statements, with all inter-organizational transactions eliminated in the consolidation process.

JCF is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified as a publicly supported organization under Sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code. Additionally, JCF is exempt from state and local income taxes under comparable laws. Donors are entitled to the maximum income tax benefits for their donations that are permitted under present federal and state laws. The LLC is considered to be a disregarded entity for tax purposes, and therefore the activities for the LLC are reported in JCF's tax and compliance returns.

[2] Basis of accounting:

The accompanying consolidated financial statements of JCF have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP").

[3] Functional allocation of expenses:

The costs of providing JCF's various grant and supporting services have been summarized on a functional basis in the accompanying consolidated statements of activities. Accordingly, direct costs have been allocated among the program and supporting services based on the nature of each expense. Indirect costs have been functionalized on the basis of time allocation of the various departments.

In fiscal-years 2017 and 2016, respectively, management and general expenses in the accompanying consolidated statements of activities included \$1,708,210 and \$808,525 related to JCF's philanthropic services for donors, which are reimbursed by the donors utilizing these services.

[4] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, public support and revenue, and expenses. Actual results could differ from those estimates.

[5] Cash and cash equivalents:

Cash and cash equivalents primarily include funds held temporarily by various investment institutions, awaiting disposition. This does not include money-market funds and certificates of deposit, which are included within the investment category.

Notes to Consolidated Financial Statements

[June 30, 2017 and 2016]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[6] Investments:

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values at fiscal year-end in the accompanying consolidated statements of financial position, with realized and unrealized gains and losses included in the accompanying consolidated statements of activities. JCF's bond and equity mutual funds are also reported at their fair values at fiscal year-end, as determined by the related investment manager or advisor and as reviewed by JCF for reasonableness. JCF's interest in a pooled investment fund is reported at fair value as determined by the investment manager, based upon the fair values of the underlying assets at fiscal year-end. Purchases of long-term certificates of deposit, with maturity dates of four months or greater, are included as part of the investment portfolio and are reported at fair value.

As a practical expedient, the fair values of certain investments of JCF are measured using the net asset value per share of the investments.

Donated securities are recorded at their fair values, as determined by the proceeds received on the date of sale or by the net asset value as determined by the fund manager. JCF's policy is to sell donated securities immediately upon receipt with the exception of donated investments in LLCs, which are sold as soon as reasonably possible; as at times there may be restrictions on the sales of these assets. Accordingly, for purposes of the accompanying consolidated statements of cash flows, donated securities received and sold within the same year are reported as operating activities. With respect to equity securities received from donors which, for example, are (i) not readily marketable, (ii) the securities of private companies, or (iii) the securities of companies in liquidation, JCF's policy is to record such items at appraised value at the times of donation, in the absence of readily determinable fair values.

JCF has investments in certain not-readily-marketable securities, which are ownership interests in private equity securities and certain limited partnerships ("LPs") for which market values are not readily obtainable. Because of the inherent uncertainty of the valuation of these investments, JCF and its various investment managers monitor their positions to reduce the risk of potential losses due to changes in fair values or the failures of counterparties to perform. The estimated values provided by these managers may differ from actual values had a ready market for these investments existed.

Certain of the funds in which JCF has a position enter into various financial instruments in the normal course of their operations, including derivatives held or issued for trading purposes. These investments are subject to market risks, which arise from changes in securities values and other market conditions. As part of their overall trading strategy, the investment funds may engage in the purchase and sale of index and equity options, for the purpose of generating profit and/or reducing market risk. The various managers monitor their positions continuously, to reduce the risk of potential loss due to changes in fair values or to the failure of counterparties to perform. Estimated values provided by these fund managers may differ significantly from their actual values, had a ready market for these instruments existed.

Investment transactions are recorded on a trade-date basis. Realized gains or losses on investments are determined by comparison of the average cost of acquisition to proceeds at the time of disposition. The earnings from dividends and interest are recognized when earned.

Investment expenses include the services of bank trustees, investment managers and custodians. The balances of investment management fees disclosed in Note B are those specific fees charged by JCF's various investment managers in each fiscal year; however, they do not include those fees that may be embedded in various other investment accounts and transactions.

[6] Investments: (continued)

From time-to-time, investment transactions may be initiated prior to a fiscal year-end but may not be settled until the following fiscal year. Accordingly, amounts to be received or transferred by JCF are reported as "amounts due from or due to investment managers" in the consolidated statements of financial position. Likewise, accrued interest or dividends due to JCF at the fiscal year-end are reported as accrued income in the consolidated statements of financial position.

Because of periodic changes each year in an investment's position in the fair-value hierarchy (as described in Note B), there may be transfers of investments among the levels of the hierarchy.

[7] Accrued vacation:

Based on their tenure, employees are entitled to be paid for unused vacation time if they leave JCF. The accrued vacation obligation was approximately \$138,000 and \$125,000 for fiscal-years 2017 and 2016, respectively, and is reported as part of accounts payable and accrued operating expenses in the accompanying consolidated statements of financial position. Employees may accrue up to one year of their vacation time.

[8] Income taxes:

JCF is subject to the provisions of the Financial Accounting Standards Board's (the "FASB") Accounting Standards Codification ("ASC") Topic 740, *Income Taxes*, relating to accounting and reporting for uncertainty in income taxes. JCF is subject to potential unrelated business income tax relating to its investment activities; however, because JCF has always accrued a liability related to this tax and because of JCF's general tax-exempt status, management believes ASC Topic 740 has not had, and is not expected to have, a material impact on JCF's consolidated financial statements.

[9] Net assets:**(i) Unrestricted:**

JCF has established four distinct types of unrestricted philanthropic funds:

- *Undesignated funds* (at times referred to as the operating fund), where the privilege of grant recommendation is given to the donor (and his or her designees) and the distribution of principal and income is governed by JCF grant guidelines. Grant-making is subject to the approval of JCF's Board of Trustees and its Charitable Distribution Committee.
- *Designated funds*, where the beneficiaries and the schedule of distributions are established at the time of the gift and are approved by the Charitable Distribution Committee before JCF accepts the gift.
- *Semi-designated funds*, where the field of grant is limited to one or more functional areas and the responsibility is placed on JCF (through its Board of Trustees or the Charitable Distribution Committee) for designating the specific grant beneficiaries and scheduling such grants.
- *Funds functioning as endowment*, where the Board of Trustees and the Special Gifts Fund Committee have the responsibility for grant-making. The income and principal of these funds have been authorized by JCF to be available to meet the needs of the Jewish community, at home and abroad, at the recommendation of UJA and upon the approval of the Board of Trustees.

Notes to Consolidated Financial Statements

[June 30, 2017 and 2016]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[9] Net assets: (continued)

(ii) Temporarily restricted:

During fiscal-year 2013, JCF established a fiscal-sponsorship program whereby it serves as a sponsor for groups engaged in philanthropic activities related to JCF's mission. Funds received by JCF are temporarily restricted until expenditures occur, and they are then released from restriction. During fiscal-years 2017 and 2016, contributions in the amounts of \$531,617 and \$524,529, respectively, were received specifically for various fiscal sponsorships, and expenses in the amounts of \$629,567 and \$480,105, respectively, were incurred in satisfaction of the donors' intended purposes.

In addition, during fiscal-year 2016, the property held subject to life interest (net of an allowance for the use interest retained by donor) was reported as a temporarily restricted net asset, restricted for time. In fiscal-year 2017, the property was sold and accordingly, was released from restriction (see Note C).

[10] Endowment funds:

JCF is subject to the provisions of ASC Topic 958, *Not-for-Profit Entities*, which provides guidance on the net-asset classification of endowment funds for a not-for-profit organization that is subject to the provisions of the New York Prudent Management of Institutional Funds Act ("NYPMIFA").

[11] Revenue recognition:

Contributions and revenues are reported as increases in unrestricted net assets, with the exception of funds described in Note A[9](ii). JCF retains the decision-making authority as to the use of these funds. Contributions are recorded as revenue when received unconditionally, at their fair values. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets. Grants and operating expenses are reported as decreases in unrestricted net assets.

[12] Grants:

Grants made to others are recorded as an expense when they become unconditional promises to give by JCF, based on guidelines promulgated by the Board of Trustees. Generally, grants are paid within the year promised, and consequently there are no grant payables reported on the accompanying consolidated statements of financial position.

[13] Recent accounting pronouncement:

In August 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. ASU 2016-14 amends certain financial-statement presentations and disclosures, with the goal of assisting not-for-profit organizations in providing more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. ASU 2016-14 includes qualitative and quantitative requirements in the following areas: a) net asset classifications, b) investment returns, c) expense categorizations, d) liquidity and availability of resources, and e) the presentation of operating cash flows. The new standard will be effective for years beginning after December 15, 2017. JCF will adopt this pronouncement when it becomes effective.

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)**[14] Subsequent events:**

JCF has considered all accounting treatments, and the related disclosures in the current fiscal-year's consolidated financial statements, that may be required as the result of all events or transactions that occurred after June 30, 2017 through October 24, 2017, the date on which the consolidated financial statements were available to be issued.

JCF has certain funds invested in fixed-income securities (the "Portfolio"), which consist of agency mortgage-backed securities ("AMBS"), commercial mortgage-backed securities ("CMBS"), asset-backed securities ("ABS") and investment-grade corporate bonds. In addition, the Portfolio may invest in U.S. Treasury and agency securities and may also purchase U.S. Treasury futures for the purposes of managing duration and yield-curve exposure. A maximum of 30% of the total fair value of the Portfolio may be invested in ABS, CMBS and AMBS, and a maximum of 20% of the total fair value of the Portfolio may be invested in corporate-backed debt. The Portfolio must maintain an overall portfolio credit quality of AA or better. The average effective duration of the Portfolio may not exceed three years, and leverage is not permitted.

ASC Topic 820, *Fair Value Measurements*, establishes a three-level valuation hierarchy of fair-value measurements. These valuation techniques are based on observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair-value hierarchy:

- Level 1: Valuations are based on observable inputs that reflect quoted market prices in active markets for identical investments, at the reporting date.
- Level 2: Valuations are based on (a) quoted prices for similar investments, in active markets, or (b) quoted prices for identical or similar investments, in markets that are not active, or (c) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date.
- Level 3: Valuations are based on pricing inputs that are unobservable and include situations where there is little, if any, market activity for the investments, or the investments cannot be independently valued.

Certain of JCF's investments are valued using net asset value ("NAV") per share as a practical expedient of fair value. JCF uses the NAV per share or its equivalent as a practical expedient to measure the fair values of the private equity limited partnership, funds of funds, equity hedge funds, and pooled investments. The use of the practical expedient is applicable for investments which (a) do not have a readily determinable fair value and (b) the financial statements of which were prepared by the respective investment managers, consistent with the measurement principles of an investment company or that have the attributes of an investment company.

JCF is subject to the FASB's Accounting Standards Update ("ASU") 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent)*. ASU 2015-07 removes the requirement to categorize within the fair-value hierarchy all investments for which fair value is measured using NAV per share as a practical expedient. Accordingly, these investments are not categorized within the fair value hierarchy and certain related tables have been properly excluded from the accompanying consolidated financial statements.

JCF's investments are subject to various risks, such as interest-rate, market, and credit risks. Due to the level of risk associated with certain of JCF's investment securities, it is at least reasonably possible that changes in the values of those securities could occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated financial statements.

The available market data is monitored to assess the appropriate classification of financial instruments within the fair-value hierarchy. Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one level to another. In such instances, the transfer is reported at the beginning of the reporting period. During fiscal-years 2017 and 2016, there were no transfers between the fair-value levels.

The following tables summarize the fair values of JCF's assets at each fiscal year-end, in accordance with the ASC Topic 820 valuation levels:

Additionally, during fiscal-year 2017 JCF, committed \$24,000,000 to a new limited partnership, but no capital calls had been made as of June 30, 2017.

The following provides information on the valuation techniques and nature of significant unobservable inputs used to determine the value of Level 3 assets:

	Valuation Techniques	Fair Value at June 30, 2017	Unobservable Inputs	Range of Inputs
Not-readily-marketable securities	Relative value analysis	\$ 4,584,243	Expected recovery	N/A
Foreign bonds	Relative value analysis	\$ 1,390,500	Expected recovery	0.77% - 2.16%
Private corporate bonds	Relative value analysis	\$ 925,000	Expected recovery	10%

The fair values of certain bonds and non-readily-marketable securities are based on expected recovery and maturity to yield, which are determined by JCF's assumptions about the estimated remaining lives, current market yields, and the interest-rate spreads of similar securities.

Notes to Consolidated Financial Statements

[June 30, 2017 and 2016]

NOTE C - PROPERTY HELD SUBJECT TO LIFE INTEREST

In December 2013, JCF received an irrevocable life interest in real estate and personal property, as well as a related cash gift of \$600,000. Under the terms of the agreement, the donor and the donor's spouse retained the right to use the property, and the property was not to be sold by JCF until their deaths. The donor and the donor's spouse were responsible for continuing to pay the executory costs for the property, which include maintenance costs, capital improvements, property taxes, insurance, and utilities. At December 1, 2013, the fair value of the land was appraised at \$45,000,000 and the building improvements were appraised at \$18,500,000, for a combined value of \$63,500,000. However, in October 2016, JCF and a buyer negotiated a contract for the sale of the property for approximately \$60,000,000, with an expected closing date in December 2016. Accordingly, \$3,500,000 of unrealized depreciation in the value of the property was reported in the accompanying consolidated statements of activities as of June 30, 2016.

As actuarially determined as of the date of receipt of the property, the donor's beneficial-use interest was recorded as deferred revenue, to be amortized over 15.7 years, which was the calculated joint-life expectancy of the donor and the donor's spouse. However, due to the sale of the property, the donor and the donor's spouse vacated the property earlier than expected. Therefore, the amortization of the donor's beneficial-use interest for 2017 was only calculated through December 2016. In fiscal-years 2017 and 2016, respectively, temporarily restricted contribution revenue included amounts of \$519,240 and \$1,132,884 related to the amortization of the donor's beneficial-use interest.

In December 2016, the property was sold for \$60,028,603, of which JCF received proceeds of \$47,963,809 the remainder was retained by the donor, as allowed by the gift agreement. A realized gain of \$28,603 was recognized on the sale, which has been reported in the accompanying fiscal-year 2017 consolidated statements of activities. In addition, \$764,794 above the previously established reserve was expensed during fiscal-year 2017.

NOTE D - MANAGEMENT FEE ALLOCATION

To pay its operating expenses, JCF charges an administrative fee to all donor-advised funds as described below, with amounts exceeding \$5,000,000 being eligible for a reduced, sliding-scale fee structure. Fees were calculated on average daily balances as follows:

<u>Account Balance</u>	<u>Administrative Fee (Per Annum)</u>
Assets up to \$5,000,000	75 basis points or \$150, whichever is greater
Additional assets between \$5,000,000 and \$20,000,000	50 basis points
Additional assets between \$20,000,000 and \$40,000,000	10 basis points
Additional assets exceeding \$40,000,000	5 basis points

The administrative fee is charged monthly, and it reduces the value of the donor-advised funds and increases the value of JCF's operating fund. Administrative fees and interest income, in excess of operating expenses up to an amount of \$2,000,000, are granted out to UJA. Administrative fees and interest income in excess of operating expenses greater than \$2,000,000 are divided among grants to UJA, increases to JCF's Special Gifts Fund, and a reserve for capital projects. The total administrative fee was \$7,482,786 and \$7,001,342 for fiscal-years 2017 and 2016, respectively.

NOTE E - EMPLOYEE BENEFIT PLANS

[1] Defined-contribution plan:

UJA, a sole member of JCF, sponsors a defined-contribution Section 403(b) plan, in which JCF employees may participate, in compliance with the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan participants are required to make contributions to their plan accounts in the form of payroll deductions, up to the maximum allowed by federal law. JCF does not contribute to the plan.

[2] Defined-benefit plan:

JCF employees may participate in the Retirement Plan for Employees of the United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. and Affiliated Agencies and Institutions, a defined-benefit pension plan sponsored by UJA and subject to the provisions of ERISA. The plan is filed under the Employer Identification Number 51-0172429 and Pension Plan Number 333. Eligible employees of JCF participate automatically in this plan on a noncontributory basis and are fully vested after five years of service. Required annual zone certification and financial improvement or rehabilitation plan disclosures are not applicable to the plan. The plan is at least 80%-funded using the most recent financial information as of October 1, 2016, the beginning of the plan year. Total expenses for fiscal-years 2017 and 2016 for this plan were \$168,013 and \$139,128, respectively.

[3] Deferred-compensation plan:

JCF contributes to a deferred-compensation plan for two of its key employees. Annual contributions to the plan are subject to Internal Revenue Code limitations. Contributions to the plan were \$36,000 for both fiscal-years 2017 and 2016.

NOTE F - RELATED-PARTY TRANSACTIONS

- [1] UJA, the sole member of JCF, provides JCF with pension-participation, and various management services, such as payroll and related processing, and insurance coverage, for which JCF reimburses UJA. For fiscal-years 2017 and 2016, JCF reimbursed UJA for these costs in the amounts of \$2,682,363 and \$2,512,676, respectively. During fiscal-year 2017, JCF awarded grants to UJA totaling \$21,913,195, of which (a) \$2,000,460 represented grants from JCF's operating fund, (b) \$996,635 represented grants from the Special Gifts Fund, and (c) \$18,916,100 represented grants from donor-advised funds. For fiscal-year 2016, JCF awarded grants to UJA totaling \$17,565,359, of which (a) \$2,245,360 represented grants from JCF's operating fund, (b) \$1,331,535 represented grants from the Special Gifts Fund, and (c) \$13,988,464 represented grants from donor-advised funds.
- [2] In addition to the grants awarded to UJA described above, JCF made grants from donor-advised funds in the amounts of \$10,169,415 and \$10,816,223 for fiscal-years 2017 and 2016, respectively, to organizations that have trustees, family members, and/or key employees in common with JCF's Board of Trustees.
- [3] JCF participates in UJA's pooled investment fund. As of June 30, 2017 and 2016, JCF owned 0.78% and 0.94% of the fund, the investments of which were valued at \$7,980,191 and \$9,073,181.

Notes to Consolidated Financial Statements

[June 30, 2017 and 2016]

NOTE G - COMMITMENTS

[1] Lease:

For its New York City office, JCF is obligated under a noncancelable operating lease that expires in February 2024. As of June 30, 2017, minimum future lease payments are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2018	\$ 269,481
2019	279,087
2020	279,087
2021	283,890
2022	293,496
Thereafter	<u>489,159</u>
	<u>\$ 1,894,200</u>

[2] Other contracts:

In the normal course of operations and activities, JCF enters into various contracts for professional and other services, which are typically renewable on a year-to-year basis.

NOTE H - BOARD-DESIGNATED ENDOWMENT

[1] The endowment:

As discussed in Note A[10], JCF has an unrestricted endowment fund (Special Gifts Fund), from which grants are approved by the Board of Trustees.

Changes in endowment net assets during each fiscal year were as follows:

	<u>Year Ended June 30,</u>	
	<u>2017</u>	<u>2016</u>
Endowment net assets, beginning of year	\$ 15,989,337	\$ 17,641,390
Contributions		281,706
Investment return:		
Net appreciation (depreciation) (realized and unrealized)	2,602,478	(602,224)
Appropriation of endowment assets for grant expenditures	<u>(996,635)</u>	<u>(1,331,535)</u>
Endowment net assets, end of year	<u>\$ 17,595,180</u>	<u>\$ 15,989,337</u>

[2] Return objectives and risk parameters:

JCF has adopted investment and spending policies for endowment assets designed to provide a predictable stream of funding to programs that meet the needs of the Jewish community, at home and abroad, while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 Index while assuming a moderate level of investment risk.

NOTE H - BOARD-DESIGNATED ENDOWMENT (continued)**[3] Strategies employed for achieving objectives:**

To satisfy its long-term rate-of-return objectives, JCF relies on a total-return strategy in which investment returns are achieved through capital appreciation (both realized and unrealized) and current yield (interest and dividends). JCF targets a diversified asset allocation within prudent risk constraints.

[4] Spending policy and related objectives:

JCF has a policy of appropriating, for distribution each year, a percentage of its endowment fund's average fair value over the prior 12 quarters through the calendar year-end that precedes the fiscal year in which the distribution is planned. During fiscal-years 2017 and 2016, the appropriation spending rate was 5% and 7%, respectively. In establishing this policy, JCF considered the long-term expected return on its endowment. Accordingly, over the long term, JCF expects the current spending policy to allow its endowment to maintain the purchasing power of the endowment's net assets, as well as to provide additional real growth through investment returns.

NOTE I - CREDIT RISK

Financial instruments that potentially subject JCF to concentrations of credit risk consist principally of cash and cash-equivalent accounts that are deposited in financial institutions in amounts which, from time to time, may exceed federal insurance limits. However, management believes that JCF does not face a significant risk of loss on these accounts as the result of failures of these financial institutions.
