Every year, we are humbled by the enormous generosity of JCF's Fundholders. FY 2018 was no exception—our Fundholders recommended a staggering 58,000 grants totaling \$435 million to charities in every sector. It is our privilege to facilitate your grant-making, and we are pleased to report a record-breaking year of growth and service to the Jewish community. By choosing JCF to facilitate your charitable giving, you further enable us to make an annual \$2 million unrestricted grant to UJA-Federation of New York, to support local Jewish programs and initiatives. In addition, JCF's endowment, the Special Gifts Fund, continues to change lives for the better, granting out more than \$17 million since 1999. Your grants and ours combine to create a double bottom line.

Grants from the Special Gifts Fund are the way that our JCF network collectively expresses its support for the larger Jewish community, and this sets JCF apart from all other donor advised funds. It clearly demonstrates our new tagline: ***We have a gift for giving.*** We are pleased to report that in fiscal 2018, JCF approved grants of \$840,000 from the Special Gifts Fund to Jewish charities selected by our trustees, with the assistance of UJA-Federation of New York. These grants will be used to support a Digital Choice Food Pantry at the United Jewish Council of the East Side; free civil legal services from New York Legal Assistance Group (NYLAG) at the Brooklyn Resource Hub; the new Sustenance Center at the Marion and Aaron Gural JCC; and the Community Initiative for Holocaust Survivors (CIHS). Details about these grants and our collective impact as a network of over 7,000 Fundholders can be found on the following pages.

Here at JCF, we continue to work hard to bring you the best possible service. To this end, we have increased our social impact offerings and have introduced an array of investment choices for our Fundholders including ESG investments in every asset class. One of the most exciting innovations is our new collaboration with the Hebrew Free Loan Society (HFLS) allowing JCF Fundholders to make interest-free loans. The HFLS program and the new social impact investments are described in the investment section of the report.

JCF continues to be the country's largest and most active Jewish donor advised fund, managing over \$1.7 billion in charitable assets for over 3,800 funds. Thank you for your continued partnership and trust.

INVESTMENTS

In consultation with its investment advisors, the Investment Committee of the Jewish Communal Fund periodically reviews investments and establishes investment policies. These policies are designed to:

- (1) ensure that Fundholder contributions and fund assets are continuously invested;
- (2) maximize investment returns in relation to risk;
- (3) maintain varied investment alternatives that are suitable for various philanthropic plans;
- (4) ensure that operating expenses are minimal and competitive;
- (5) ensure that funds are readily available for grant making.

When a donor advised fund is established, the first \$5,000 (or such lesser amount for funds with a lower threshold) must be invested in one or both of our primary investments: an institutional money market fund and/or a short-term bond fund, both managed by BlackRock. Fundholders may request to have the proceeds in excess of the first \$5,000 invested in our investment options, with a minimum of \$2,500 per investment option. Fundholders may exercise this privilege each time a contribution is made and may recommend a reallocation of the assets in the fund four times each calendar year.

Pre-Set Investment Portfolios

In addition to the customized investment allocation options mentioned above, Fundholders can choose from the following Pre-Set Investment Portfolios: Conservative Portfolio, Moderate Portfolio, Aggressive Portfolio, and ESG Portfolio. A minimum investment of \$10,000 is required to invest in any of these portfolios. To view the underlying investments within each of the Pre-Set Portfolios, please visit the JCF website.

Privately Managed Accounts

Fundholders with over \$55,000 in assets may opt to invest in one of three privately managed accounts. These accounts are: Eagle Capital Management, Gabelli Asset Management (GAMCO), and Neuberger Berman, LLC. A minimum investment of \$50,000 is required to invest in any one of these accounts.

Private Investment Managers

Fundholders with a fund balance of over \$500,000 may choose from a selection of approved additional investments that span equities, fixed income and hedge fund strategies. In general, the investments on this platform offer limited liquidity or may utilize more complicated strategies than those on the standard platform.

Fundholders with fund balances over \$1 million may also recommend that the assets be invested with, or managed by, managers that currently are not part of the Jewish Communal Fund's investment program. These recommendations will be considered on a case-by-case basis and subject to particular criteria that include, but are not limited to, the type of investment program and strategy, stability of management, long-term performance, volatility of results, regulatory compliance, reputation, liquidity, fees and expenses, and transparency of transactions. JCF will refer the request to our investment consultants for their review. They, in turn, will report their findings to the JCF Investment Committee. The decision as to whether to approve a particular investment manager is within the sole and absolute discretion of the Investment Committee.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
 Jewish Communal Fund
 New York, New York

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the Jewish Communal Fund (an entity of a sole member) ("JCF"), which comprise the consolidated statements of financial position as of June 30, 2018 and 2017, and the related consolidated statements of activities, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

JCF's management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Jewish Communal Fund, as of June 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

[June 30, 2018 and 2017]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES

[1] Organization:

The Jewish Communal Fund ("JCF") was organized in 1972 as an independent, public charity (not a private foundation) under the not-for-profit corporation law of the State of New York. Through donor-advised funds, JCF offers individuals and families a way to simplify their charitable giving and to plan their philanthropy over time. JCF extends to donors or their successors the privilege of recommending grants from their funds to the qualified charities of their choice. The United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. ("UJA") is the sole member of JCF.

JCF is, in turn, the sole member of Jewish Communal Fund Holdings LLC (the "LLC"). The LLC is a limited liability, not-for-profit corporation organized in New York in September 2001 and was established to hold certain donations from time-to-time, as JCF deems necessary. The financial statements of the LLC have been included in the consolidated financial statements, with all inter-organizational transactions eliminated in the consolidation process.

JCF is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified as a publicly supported organization under Sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code. Additionally, JCF is exempt from state and local income taxes under comparable laws. Donors are entitled to the maximum income tax benefits for their donations that are permitted under present federal and state laws. The LLC is considered to be a disregarded entity for tax purposes, and therefore the activities for the LLC are reported in JCF's tax and compliance returns.

[2] Basis of accounting:

The consolidated financial statements of JCF have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP").

[3] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, public support and revenue, and expenses, as well as contingent assets and liabilities. Actual results could differ from those estimates.

[4] Cash and cash equivalents:

Cash and cash equivalents primarily include funds held temporarily by various investment institutions, awaiting disposition. This does not include money-market funds and certificates of deposit, which are included within the investment category.

[5] Investments:

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values at fiscal year-end in the consolidated statements of financial position, with realized and unrealized gains and losses included in the consolidated statements of activities. JCF's bond and equity mutual funds are also reported at their fair values at fiscal year-end, as determined by the related investment manager or advisor and as reviewed by JCF for reasonableness. JCF's interest in a pooled investment fund is reported at fair value as determined by the investment manager, based upon the fair values of the underlying assets at fiscal year-end. Purchases of long-term certificates of deposit, with maturity dates of four months or greater, are included as part of the investment portfolio and are reported at fair value.

Notes to Consolidated Financial Statements

[June 30, 2018 and 2017]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[5] Investments: (continued)

As a practical expedient, the fair values of certain investments of JCF are measured using the net asset value ("NAV") per share (or its equivalent unit) of the investments.

Donated securities are recorded at their fair values, as determined by the proceeds received on the date of sale or by the net asset value as determined by the fund manager. JCF's policy is to sell donated securities immediately upon receipt with the exception of donated investments in LLCs, which are sold as soon as reasonably possible; as at times there may be restrictions on the sales of these assets. Accordingly, for purposes of the consolidated statements of cash flows, donated securities received and sold within the same year are reported as operating activities. With respect to equity securities received from donors which, for example, are (i) not readily marketable, (ii) the securities of private companies, or (iii) the securities of companies in liquidation, JCF's policy is to record such items at appraised value at the times of donation, in the absence of readily determinable fair values.

JCF has investments in not-readily-marketable securities, which are ownership interests in private equity securities and certain limited partnerships ("LPs") for which market values are not readily obtainable. Because of the inherent uncertainty of the valuation of these investments, JCF and its various investment managers monitor their positions to reduce the risk of potential losses due to changes in fair values or the failures of counterparties to perform. The estimated values provided by these managers may differ from actual values had a ready market for these investments existed.

Certain of the funds in which JCF has a position enter into various financial instruments in the normal course of their operations, including derivatives held or issued for trading purposes. These investments are subject to market risks, which arise from changes in securities values and other market conditions. As part of their overall trading strategy, the investment funds may engage in the purchase and sale of index and equity options, for the purpose of generating profit and/or reducing market risk. The various managers monitor their positions continuously, to reduce the risk of potential loss due to changes in fair values or to the failure of counterparties to perform. Estimated values provided by these fund managers may differ significantly from their actual values, had a ready market for these instruments existed.

Investment transactions are recorded on a trade-date basis. Realized gains or losses on investments are determined by comparison of the cost of acquisition to proceeds at the time of disposition. The earnings from dividends and interest are recognized when earned.

Investment expenses include the services of bank trustees, investment managers and custodians. The balances of investment management fees disclosed in Note B are those specific fees charged by JCF's various investment managers in each fiscal year; however, they do not include those fees that may be embedded in various other investment accounts and transactions.

From time-to-time, investment transactions may be initiated prior to a fiscal year-end but may not be settled until the following fiscal year. Accordingly, amounts to be received or transferred by JCF are reported as "amounts due from or due to investment managers" in the consolidated statements of financial position. Likewise, accrued interest or dividends due to JCF at the fiscal year-end are reported as accrued income in the consolidated statements of financial position.

Because of periodic changes each year in an investment's position in the fair-value hierarchy (as described in Note B), there may be transfers of investments among the levels of the hierarchy.

[6] Property and equipment:

Property and equipment are stated at their original costs at the dates of acquisition, or, if contributed, at their estimated fair values at the dates of donation, less accumulated depreciation and amortization. JCF capitalizes items of property and equipment that have a cost of \$5,000 or more and a useful life greater than one year. Whereas minor costs of repairs and maintenance are expensed as incurred. Leasehold improvements are amortized over the remaining lease term, or the useful lives of the improvements, whichever is shorter. Depreciation is provided using the straight-line method over the estimated useful lives of the related furniture, equipment, and computer hardware, which range from five to seven years.

Management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. Long-lived assets were tested for impairment as of June 30, 2018, and, in the opinion of management, there was no impairment. However, it is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

[7] Accrued vacation:

Based on their tenure, employees are entitled to be paid for unused vacation time if they leave JCF. The accrued vacation obligation was approximately \$139,000 and \$138,000 for fiscal-years 2018 and 2017, respectively, and is reported as part of accounts payable and accrued operating expenses in the accompanying consolidated statements of financial position. Employees may accrue up to one year of their vacation time.

[8] Income taxes:

JCF is subject to the provisions of the Financial Accounting Standards Board's (the "FASB") Accounting Standards Codification ("ASC") Topic 740, *Income Taxes*, relating to accounting and reporting for uncertainty in income taxes. JCF is subject to potential unrelated business income tax relating to its investment activities; however, because JCF has always accrued a liability related to this tax and because of JCF's general tax-exempt status, management believes ASC Topic 740 has not had, and is not expected to have, a material impact on JCF's consolidated financial statements.

[9] Net assets:*(i) Unrestricted:*

JCF has established four distinct types of unrestricted philanthropic funds:

- *Undesignated funds* (at times referred to as the operating fund), where the privilege of grant recommendation is given to the donor (and his or her designees) and the distribution of principal and income is governed by JCF grant guidelines. Grant-making is subject to the approval of JCF's Board of Trustees and its Charitable Distribution Committee.
- *Designated funds*, where the beneficiaries and the schedule of distributions are established at the time of the gift and are approved by the Charitable Distribution Committee before JCF accepts the gift.
- *Semi-designated funds*, where the field of grant is limited to one or more functional areas and the responsibility is placed on JCF (through its Board of Trustees or the Charitable Distribution Committee) for designating the specific grant beneficiaries and scheduling such grants.

Notes to Consolidated Financial Statements

[June 30, 2018 and 2017]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[9] Net assets: (continued)

- *Funds functioning as endowment*, where the Board of Trustees and the Special Gifts Fund Committee have the responsibility for grant-making. The income and principal of these funds have been authorized by JCF to be available to meet the needs of the Jewish community, at home and abroad, at the recommendation of UJA and upon the approval of the Board of Trustees.

(ii) Temporarily restricted:

During fiscal-year 2013, JCF established a fiscal-sponsorship program whereby it serves as a sponsor for groups engaged in philanthropic activities related to JCF's mission. Funds received by JCF are temporarily restricted until expenditures occur, and they are then released from restriction. During fiscal-years 2018 and 2017, contributions in the amounts of \$62,938 and \$531,617, respectively, were received specifically for various fiscal sponsorships, and expenses in the amounts of \$103,686 and \$629,567, respectively, were incurred in satisfaction of the donors' intended purposes. As of fiscal-year 2018, JCF had no unspent fiscal sponsorship monies.

In addition, during fiscal-year 2017, the property held subject to life interest (net of beneficial-use interest) which had been temporarily restricted for time, was sold and released from restriction (see Note C).

[10] Endowment funds:

JCF is subject to the provisions of ASC Topic 958, *Not-for-Profit Entities*, which provides guidance on the net-asset classification of endowment funds for a not-for-profit organization that is subject to the provisions of the New York Prudent Management of Institutional Funds Act ("NYPMIFA").

[11] Revenue recognition:

Contributions and revenues are reported as increases in unrestricted net assets, with the exception of funds described in Note A[9](ii). JCF retains the decision-making authority as to the use of these funds. Contributions are recorded as revenue when received unconditionally, at their fair values. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in unrestricted net assets. Grants and operating expenses are reported as decreases in unrestricted net assets.

[12] Grants:

Grants made to others are recorded as an expense when they become unconditional promises to give by JCF, based on guidelines promulgated by the Board of Trustees. Generally, grants are paid within the year promised, and consequently there are no grant payables reported on the consolidated statements of financial position.

[13] Functional allocation of expenses:

The costs of providing JCF's various grant and supporting services have been summarized on a functional basis in the consolidated statements of activities. Accordingly, direct costs have been allocated among the program and supporting services based on the nature of each expense. Indirect costs have been functionalized on the basis of time allocation of the various departments.

In fiscal-years 2018 and 2017, respectively, management and general expenses in the accompanying consolidated statements of activities included \$823,300 and \$1,708,210 related to JCF's philanthropic services for donors, which are reimbursed by the donors utilizing these services.

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)**[14] Upcoming accounting pronouncement:**

In August 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. ASU 2016-14 amends certain financial-statement presentations and disclosures, with the goal of assisting not-for-profit organizations in providing more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. ASU 2016-14 includes qualitative and quantitative requirements in the following areas: a) net asset classifications, b) investment returns, c) expense categorizations, d) liquidity and availability of resources, and e) the presentation of operating cash flows. The new standard will be effective for years beginning after December 15, 2017. JCF will adopt this pronouncement when it becomes effective.

[15] Subsequent events:

JCF evaluated subsequent events through October 29, 2018, the date on which the consolidated financial statements were available to be issued.

Notes to Consolidated Financial Statements

[June 30, 2018 and 2017]

NOTE B - INVESTMENTS (continued)

JCF has certain funds invested in fixed-income securities (the "Portfolio"), which consist of agency mortgage-backed securities ("AMBS"), commercial mortgage-backed securities ("CMBS"), asset-backed securities ("ABS") and investment-grade corporate bonds. In addition, the Portfolio may invest in U.S. Treasury and agency securities and may also purchase U.S. Treasury futures for the purposes of managing duration and yield-curve exposure. A maximum of 30% of the total fair value of the Portfolio may be invested in ABS, CMBS and AMBS, and a maximum of 20% of the total fair value of the Portfolio may be invested in corporate-backed debt. The Portfolio must maintain an overall portfolio credit quality of AA or better. The average effective duration of the Portfolio may not exceed three years, and leverage is not permitted.

During each fiscal-year, investment income consisted of the following:

	Year Ended June 30,	
	2018	2017
Interest and dividends	\$ 27,716,273	\$ 21,767,201
Investment management fees (Note A[5])	(3,877,774)	(2,134,254)

ASC Topic 820, *Fair Value Measurements*, establishes a three-level valuation hierarchy for fair-value measurements. These valuation techniques are based on observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair-value hierarchy:

- Level 1: Valuations are based on observable inputs that reflect quoted market prices or published in active markets for identical investments, at the reporting date.
- Level 2: Valuations are based on (a) quoted prices for similar investments in active markets, or (b) quoted prices for identical, or similar investments, in markets that are not active, or (c) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date.
- Level 3: Valuations are based on pricing inputs that are unobservable and include situations where there is little, if any, market activity for the investments, or the investments cannot be independently valued.

Certain of JCF's investments are valued using NAV as a practical expedient of fair value. JCF uses NAV to measure the fair values of the private equity limited partnership, funds of funds, equity hedge funds, and pooled investments. The use of the practical expedient is applicable for investments which (a) do not have a readily determinable fair value and (b) the financial statements of which were prepared by the respective investment managers, consistent with the measurement principles of an investment company or that have the attributes of an investment company. Investments valued at NAV are not required to be categorized within the fair-value hierarchy and accordingly have been excluded from the fair-value hierarchy.

JCF's investments are subject to various risks, such as interest-rate, market, and credit risks. Due to the level of risk associated with certain of JCF's investment securities, it is at least reasonably possible that changes in the values of those securities could occur in the near term and that such changes could materially affect the amounts reported in the consolidated financial statements.

The availability of market data is monitored to assess the appropriate classification of financial instruments within the fair-value hierarchy. Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one level to another. In such instances, the transfer is reported at the beginning of the reporting period. During fiscal-years 2018 and 2017, there were no transfers among the fair-value hierarchy levels.

The following tables summarizes the fair values of JCF's assets at each fiscal year-end, in accordance with the ASC Topic 820 valuation levels:

Additionally, during fiscal-year 2018 JCF committed \$123,500,000 to two new limited partnerships, but no capital calls had been made as of June 30, 2018.

The following provides information on the valuation techniques and nature of significant unobservable inputs used to determine the value of Level 3 assets:

	Valuation Techniques	Fair Value at June 30, 2018	Unobservable Inputs	Range of Inputs
Not-readily-marketable securities	Relative value analysis	\$ 2,088,542	Expected recovery	N/A
Foreign bonds	Relative value analysis	\$ 1,399,500	Expected recovery	1.35% - 3.13%
Private corporate bonds	Relative value analysis	\$ 925,000	Expected recovery	10%

The fair values of certain bonds and non-readily-marketable securities are based on expected recovery and maturity to yield, which are determined by JCF's assumptions about the estimated remaining lives, current market yields, and the interest-rate spreads of similar securities.

Notes to Consolidated Financial Statements

[June 30, 2018 and 2017]

NOTE C - PROPERTY HELD SUBJECT TO LIFE INTEREST

In December 2013, JCF received an irrevocable life interest in real estate and personal property, as well as a related cash gift of \$600,000. Under the terms of the agreement, the donor and the donor's spouse retained the right to use the property, and the property was not to be sold by JCF until their deaths. The donor and the donor's spouse were responsible for continuing to pay the executory costs for the property, which include maintenance costs, capital improvements, property taxes, insurance, and utilities. At December 1, 2013, the fair value of the land was appraised at \$45,000,000 and the building improvements were appraised at \$18,500,000, for a combined value of \$63,500,000. However, in October 2016, JCF and a buyer negotiated a contract for the sale of the property for approximately \$60,000,000, and accordingly JCF recognized unrealized depreciation in the value of the property as of June 30, 2016.

As actuarially determined as of the date of receipt of the property, the donor's beneficial-use interest was recorded as deferred revenue, to be amortized over 15.7 years, which was the calculated joint-life expectancy of the donor and the donor's spouse. However, due to the sale of the property, the donor and the donor's spouse vacated the property earlier than expected. Therefore, the amortization of the donor's beneficial-use interest for 2017 was only calculated through December 2016, the month of sale. In fiscal-year 2017, temporarily restricted contribution revenue included an amount of \$519,240 related to the amortization of the donor's beneficial-use interest.

In December 2016, the property was sold for \$60,028,603, of which JCF received proceeds of \$47,963,809 and the remainder was retained by the donor, as allowed by the gift agreement. A realized gain of \$28,603 was recognized on the sale, which was reported in the fiscal-year 2017 consolidated statements of activities. In addition, \$764,794 above the previously established reserve was expensed during fiscal-year 2017.

NOTE D - PROPERTY AND EQUIPMENT

As of June 30, 2018, property and equipment consisted of the following:

Furniture and equipment	\$ 220,699
Computer hardware	20,511
Leasehold improvements	<u>115,909</u>
	357,119
Less: accumulated depreciation and amortization	<u>(13,495)</u>
	<u>\$ 343,624</u>

NOTE E - MANAGEMENT FEE ALLOCATION

To pay its operating expenses, JCF charges an administrative fee to all donor-advised funds as described below, with amounts exceeding \$5,000,000 being eligible for a reduced, sliding-scale fee structure. Fees were calculated on average daily balances as follows:

<u>Account Balance</u>	<u>Administrative Fee (Per Annum)</u>
Assets up to \$5,000,000	75 basis points or \$150, whichever is greater
Additional assets between \$5,000,000 and \$20,000,000	50 basis points
Additional assets between \$20,000,000 and \$40,000,000	10 basis points
Additional assets exceeding \$40,000,000	5 basis points

NOTE E - MANAGEMENT FEE ALLOCATION (continued)

The administrative fee is charged monthly, and it reduces the value of the donor-advised funds and increases the value of JCF's operating fund. Administrative fees and interest income, in excess of operating expenses up to an amount of \$2,000,000, are granted out to UJA. Administrative fees and interest income in excess of operating expenses greater than \$2,000,000 may be divided among grants to UJA, increases to JCF's Special Gifts Fund, and a reserve for capital projects. The total administrative fee was \$8,365,206 and \$7,482,786 for fiscal-years 2018 and 2017, respectively.

NOTE F - EMPLOYEE-BENEFIT PLANS

[1] Defined-contribution plan:

UJA, the sole member of JCF, sponsors a defined-contribution Section 403(b) plan, in which JCF employees may participate, in compliance with the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan participants are required to make contributions to their plan accounts in the form of payroll deductions, up to the maximum allowed by federal law. JCF does not contribute to the plan.

[2] Defined-benefit plan:

JCF employees may participate in the Retirement Plan for Employees of the United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. and Affiliated Agencies and Institutions, a defined-benefit pension plan sponsored by UJA and subject to the provisions of ERISA. The plan is filed under the Employer Identification Number 51-0172429 and Pension Plan Number 333. Eligible employees of JCF participate automatically in this plan on a noncontributory basis and are fully vested after five years of service. Required annual zone certification and financial improvement or rehabilitation plan disclosures are not applicable to the plan. The plan is at least 80%-funded using the most recent financial information as of October 1, 2017, the beginning of the plan year. Total expenses for fiscal-years 2018 and 2017 for this plan were \$248,093 and \$168,013, respectively.

[3] Deferred-compensation plan:

JCF contributes to a deferred-compensation plan for two of its key employees. Annual contributions to the plan are subject to Internal Revenue Code limitations. For fiscal-years 2018 and 2017, contributions to the plan were \$36,500 and \$36,000, respectively.

NOTE G - RELATED-PARTY TRANSACTIONS

- [1] UJA, the sole member of JCF, provides JCF with pension-participation, and various management services, such as payroll and related processing, and insurance coverage, for which JCF reimburses UJA. For fiscal-years 2018 and 2017, JCF reimbursed UJA for these costs in the amounts of \$3,084,040 and \$2,682,363, respectively. During fiscal-year 2018, JCF awarded grants to UJA totaling \$23,027,388, of which (a) \$2,155,180 represented grants from JCF's operating fund, (b) \$853,346 represented grants from the Special Gifts Fund, and (c) \$20,018,862 represented grants from donor-advised funds. For fiscal-year 2017, JCF awarded grants to UJA totaling \$21,913,195, of which (a) \$2,000,460 represented grants from JCF's operating fund, (b) \$996,635 represented grants from the Special Gifts Fund, and (c) \$18,916,100 represented grants from donor-advised funds.
- [2] In addition to the grants awarded to UJA described above, JCF made grants from donor-advised funds in the amounts of \$12,728,144 and \$10,169,415 for fiscal-years 2018 and 2017, respectively, to organizations that have trustees, family members, and/or key employees in common with JCF's Board of Trustees.
- [3] JCF participates in UJA's pooled investment fund. As of June 30, 2018 and 2017, JCF owned 0.72% and 0.78% of the fund, the investments of which were valued at \$7,503,955 and \$7,980,191.

Notes to Consolidated Financial Statements

[June 30, 2018 and 2017]

NOTE H - COMMITMENTS

[1] Lease:

During fiscal-year 2018, JCF moved its office space to a new location within the same building. JCF amended the original lease agreement and is now obligated under a noncancellable operating lease that expires in March 2028. As of June 30, 2018, minimum future lease payments are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2019	\$ 494,083
2020	539,000
2021	544,250
2022	560,000
2023	560,000
Thereafter	<u>2,771,417</u>
	<u>\$ 5,468,750</u>

[2] Other contracts:

In the normal course of operations and activities, JCF enters into various contracts for professional and other services, which are typically renewable on a year-to-year basis.

NOTE I - BOARD-DESIGNATED ENDOWMENT

[1] The endowment:

As discussed in Note A[9], JCF has an unrestricted endowment fund (Special Gifts Fund), from which grants are approved by the Board of Trustees.

Changes in endowment net assets during each fiscal year were as follows:

	<u>Year Ended June 30,</u>	
	<u>2018</u>	<u>2017</u>
Endowment net assets, beginning of year	\$ 17,595,180	\$ 15,989,337
Investment return:		
Net appreciation (realized and unrealized)	1,751,933	2,602,478
Appropriation of endowment assets for grant expenditures	<u>(853,346)</u>	<u>(996,635)</u>
Endowment net assets, end of year	<u>\$ 18,493,767</u>	<u>\$ 17,595,180</u>

[2] Return objectives and risk parameters:

JCF has adopted investment and spending policies for endowment assets designed to provide a predictable stream of funding to programs that meet the needs of the Jewish community, at home and abroad, while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 Index while assuming a moderate level of investment risk.

NOTE I - BOARD-DESIGNATED ENDOWMENT (continued)**[3] Strategies employed for achieving objectives:**

To satisfy its long-term rate-of-return objectives, JCF relies on a total-return strategy in which investment returns are achieved through capital appreciation (both realized and unrealized) and current yield (interest and dividends). JCF targets a diversified asset allocation within prudent risk constraints.

[4] Spending policy and related objectives:

JCF has a policy of appropriating, for distribution each year, a percentage of its endowment fund's average fair value over the prior 12 quarters through the calendar year-end that precedes the fiscal year in which the distribution is planned. The appropriation spending rate was 5% for both fiscal-years 2018 and 2017, respectively. In establishing this policy, JCF considered the long-term expected return on its endowment. Accordingly, over the long term, JCF expects the current spending policy to allow its endowment to maintain the purchasing power of the endowment's net assets, as well as to provide additional real growth through investment returns.

NOTE J - CREDIT RISK

Financial instruments that potentially subject JCF to concentrations of credit risk consist principally of cash and cash-equivalent accounts that are deposited in financial institutions in amounts which, from time to time, may exceed federal insurance limits. However, management believes that JCF does not face a significant risk of loss on these accounts as the result of failures of these financial institutions.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

Board of Trustees
Jewish Communal Fund
New York, New York

We have audited the consolidated financial statements of Jewish Communal Fund (an entity of a sole member) ("JCF"), as of June 30, 2018 and 2017 and for each of the years then ended, and have issued our report thereon dated October 29, 2018 which expressed an unmodified opinion on those consolidated financial statements. Our audit was performed for the purpose of forming an opinion on consolidated financial statements taken as a whole. The accompanying supplemental summary Schedule of Grants Made to Various Philanthropic Institutions and Related Expenses for the year ended June 30, 2018 is presented for purposes of additional analysis and is not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and to other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.
