JCF's Fundholders are extraordinarily generous, and so it comes as no surprise that FY 2019 was another record-breaking year. Our Fundholders recommended an unprecedented 63,000 grants totaling \$456 million to charities in every sector. As a collective, we distributed 23 percent of charitable assets under management.

It is our privilege to facilitate your grant-making, and to continue to provide enhanced services, programs, and tools to help you give more strategically and achieve greater impact with your philanthropy. By choosing JCF to facilitate your charitable giving, you further enable us to make an annual \$2 million unrestricted grant to UJA-Federation of New York, to support local Jewish programs and initiatives. In addition, JCF's endowment, the Special Gifts Fund, continues to change lives for the better, granting out more than \$18 million since 1999. Your grants and ours combine to make a positive difference in people's lives.

We are pleased to report that in fiscal 2019, JCF approved grants of \$985,000 from the Special Gifts Fund to Jewish charities selected by our trustees, with the assistance of UJA-Federation of New York. These grants will be used to support a Digital Choice Food Bank at the Sid Jacobson JCC; a program for Holocaust survivors with dementia at the Edith and Carl Marks Jewish Community House of Bensonhurst; renovate swimming pools at the Henry Kaufmann Campgrounds at Pearl River; help Met Council increase its capacity to provide food for those in need; provide scholarships to low-income, single parent families through UJA-Federation of New York; and provide an adaptive playground to Mishkon, a therapeutic housing program of the Jewish Board. Details about these grants and our collective impact as a network of over 8,000 Fundholders can be found on the following pages, and in our 2019 Giving Report.

Here at JCF, we continue to work to bring you the best possible service and resources. To this end, we have collaborated with Goodnation to launch the Jewish Philanthropy Project and provide access to their philanthropic advisory platform and services. We are also pleased to announce that since the launch of the JCF Social Impact Loan Program, JCF Fundholders have provided more than \$1 million in interest-free loans to low-income borrowers at Hebrew Free Loan Society.

JCF continues to be the country's largest and most active Jewish donor advised fund, managing \$2 billion in charitable assets for more than 4,000 funds. Thank you for your continued partnership and trust.

Our Fundholders' Generosity Strengthens Jewish Life

When Fundholders choose JCF to facilitate their charitable giving, they are making a powerful statement about giving as a Jewish collective to a broad range of charitable causes in all sectors.

JCF Fundholders also benefit from “double bottom line” returns—their fees are reinvested in the Jewish community in the form of a \$2 million gift to the UJA-Federation of New York’s annual campaign, as well as Community Gifts to Jewish organizations from JCF’s endowment, the Special Gifts Fund.

Jewish Communal Fund Fundholders granted **\$19,625,055** to UJA-Federation of New York in 2019. In addition, JCF makes an unrestricted Community Gift of \$2 million each year to UJA. Since 1972, JCF has distributed approximately \$500 million to UJA.

INVESTMENTS

In consultation with its investment advisors, the Investment Committee of the Jewish Communal Fund periodically reviews investments and establishes investment policies. These policies are designed to:

- (1) ensure that Fundholder contributions and fund assets are continuously invested;
- (2) maximize investment returns in relation to risk;
- (3) maintain varied investment alternatives that are suitable for various philanthropic plans;
- (4) ensure that operating expenses are minimal and competitive;
- (5) ensure that funds are readily available for grant-making.

When a donor advised fund is established, the first \$5,000 (or such lesser amount for funds with a lower threshold) must be invested in one or both of our primary investments: an institutional money market fund and/or a short-term bond fund, both managed by BlackRock. Fundholders may request to have the proceeds in excess of the first \$5,000 invested in our investment options, with a minimum of \$2,500 per investment option. Fundholders may exercise this privilege each time a contribution is made and may recommend a reallocation of the assets in the fund four times each calendar year.

Pre-Set Investment Portfolios

In addition to the customized investment allocation options mentioned above, Fundholders can choose from the following Pre-Set Investment Portfolios: Conservative Portfolio, Moderate Portfolio, Aggressive Portfolio, and ESG Portfolio. A minimum investment of \$10,000 is required to invest in any of these portfolios. To view the underlying investments within each of the Pre-Set Portfolios, please visit the JCF website.

Privately Managed Accounts

Fundholders with over \$55,000 in assets may opt to invest in one of three privately managed accounts. These accounts are: Eagle Capital Management, Gabelli Asset Management (GAMCO), and Neuberger Berman, LLC. A minimum investment of \$50,000 is required to invest in any one of these accounts.

Private Investment Managers

Fundholders with a fund balance of over \$500,000 may choose from a selection of approved additional investments that span equities, fixed income and hedge fund strategies. In general, the investments on this platform offer limited liquidity or may utilize more complicated strategies than those on the standard platform.

Fundholders with fund balances over \$1 million may also recommend that the assets be invested with, or managed by, managers that currently are not part of the Jewish Communal Fund's investment program. These recommendations will be considered on a case-by-case basis and subject to particular criteria that include, but are not limited to, the type of investment program and strategy, stability of management, long-term performance, volatility of results, regulatory compliance, reputation, liquidity, fees and expenses, and transparency of transactions. JCF will refer the request to our investment consultants for their review. They, in turn, will report their findings to the JCF Investment Committee. The decision as to whether to approve a particular investment manager is within the sole and absolute discretion of the Investment Committee.

INDEPENDENT AUDITORS' REPORT

Board of Trustees
 Jewish Communal Fund
 New York, New York

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Jewish Communal Fund (an entity of a sole member) ("JCF"), which comprise the consolidated statements of financial position as of June 30, 2019 and 2018, and the related consolidated statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

JCF's management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Jewish Communal Fund, as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES

[1] Organization:

The Jewish Communal Fund ("JCF") was organized in 1972 as an independent, public charity (not a private foundation) under the not-for-profit corporation law of the State of New York. Through donor-advised funds, JCF offers individuals and families a way to simplify their charitable giving and to plan their philanthropy over time. JCF extends to donors or their successors the privilege of recommending grants from their funds to the qualified charities of their choice. The United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. ("UJA") is the sole member of JCF.

JCF is, in turn, the sole member of Jewish Communal Fund Holdings LLC ("Holdings LLC"). Holdings LLC is a limited liability, not-for-profit corporation organized in Delaware in September 2001 and was established to hold certain donations from time-to-time, as JCF deems necessary.

JCF is also the sole member of Jewish Communal Fund Holdings IV, LLC ("Holdings IV LLC"). Holdings IV LLC is a limited liability, not-for-profit corporation organized in Delaware in November 2018. Additionally, JCF is the sole member of Jewish Communal Fund Holdings V, LLC ("Holdings V LLC"). Holdings V LLC is a limited liability, not-for-profit corporation organized in Delaware in December 2018. Both Holdings IV LLC and Holdings V LLC were established for similar purposes as Holdings LLC, to hold certain donations, as JCF deems necessary.

The financial statements of Holdings LLC, Holdings IV LLC, and Holdings V LLC (collectively the "LLCs") have been included in the consolidated financial statements, with all inter-organizational transactions eliminated in the consolidation process.

JCF is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code") and is classified as a publicly supported organization under Sections 509(a)(1) and 170(b)(1)(A)(vi) of the Code. Additionally, JCF is exempt from state and local income taxes under comparable laws. Donors are entitled to the maximum income tax benefits for their donations that are permitted under present federal and state laws. The LLCs are considered to be disregarded entities for tax purposes, and therefore the activities of the LLCs are reported in JCF's tax and compliance returns.

[2] Basis of accounting:

The consolidated financial statements of JCF have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP").

[3] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, public support and revenue, and expenses, as well as contingent assets and liabilities. Actual results could differ from those estimates.

[4] Cash and cash equivalents:

Cash and cash equivalents primarily include funds held temporarily by various investment institutions, awaiting disposition. This does not include money-market funds and certificates of deposit, which are included within the investment category.

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

[5] Investments:

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at their fair values at fiscal year-end in the consolidated statements of financial position, with realized and unrealized gains and losses included in the consolidated statements of activities. JCF's bond and equity mutual funds are also reported at their fair values at fiscal year-end, as determined by the related investment manager or advisor and as reviewed by JCF for reasonableness. JCF's interest in a pooled investment fund is reported at fair value as determined by the investment manager, based upon the fair values of the underlying assets at fiscal year-end. Purchases of long-term certificates of deposit, with maturity dates greater than three months, are included as part of the investment portfolio and are reported at fair value.

As a practical expedient, the fair values of certain investments of JCF are measured using the net asset value ("NAV") per share (or its equivalent unit) of the investments.

Donated securities are recorded at their fair values, on the date of donation or by the net asset value as determined by the fund manager. JCF's policy is to sell donated securities immediately upon receipt with the exception of donated investments in LLCs, and certain non-readily marketable securities, which are sold as soon as reasonably possible as at times there may be restrictions on the sales of these assets. Accordingly, for purposes of the consolidated statements of cash flows, donated securities received and sold within the same year are reported as operating activities. With respect to equity securities received from donors which, for example, are: (i) not readily marketable; (ii) the securities of private companies; or (iii) the securities of companies in liquidation, JCF's policy is to record such items at appraised value or cost at the time of donation, in the absence of readily determinable fair values.

JCF has investments in not-readily-marketable securities, which are ownership interests in private equity securities and certain limited partnerships ("LPs") for which market values are not readily obtainable. Because of the inherent uncertainty of the valuation of these investments, JCF and its various investment managers monitor their positions to reduce the risk of potential losses due to changes in fair values or the failures of counterparties to perform. The estimated values provided by these managers may differ from actual values had a ready market for these investments existed.

Certain of the funds in which JCF has a position enter into various financial instruments in the normal course of their operations, including derivatives held or issued for trading purposes. These investments are subject to market risks, which arise from changes in securities values and other market conditions. As part of their overall trading strategy, the investment funds may engage in the purchase and sale of index and equity options, for the purpose of generating profit and/or reducing market risk. The various managers monitor their positions continuously, to reduce the risk of potential loss due to changes in fair values or to the failure of counterparties to perform. Estimated values provided by these fund managers may differ significantly from their actual values, had a ready market for these instruments existed.

Investment transactions are recorded on a trade-date basis. Realized gains or losses on investments are determined by comparison of the cost of acquisition to proceeds at the time of disposition. The earnings from dividends and interest are recognized when earned.

Distributions from limited partnerships and limited liability companies that represent returns of contributed capital reduce the cumulative costs basis of the respective investment. Distributions received from limited partnerships and limited liability companies in excess of JCF's cumulative cost basis are recognized as realized gains.

Investment expenses include the services of bank trustees, investment managers and custodians. The balances of investment management fees disclosed in Note B are those specific fees charged by JCF's various investment managers in each fiscal year; however, they do not include those fees that may be embedded in various other investment accounts and transactions.

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[5] Investments: (continued)

From time-to-time, investment transactions may be initiated prior to a fiscal year-end but may not be settled until the following fiscal year. Accordingly, amounts to be received or transferred by JCF are reported as "amounts due from or due to investment managers" in the consolidated statements of financial position. Likewise, accrued interest or dividends due to JCF at the fiscal year-end are reported as accrued income in the consolidated statements of financial position.

[6] Property and equipment:

Property and equipment are stated at their original cost at the dates of acquisition, or, if contributed, at their estimated fair values at the dates of donation, less accumulated depreciation and amortization. JCF capitalizes items of property and equipment that have a cost of \$5,000 or more and a useful life greater than one year, whereas minor costs of repairs and maintenance are expensed as incurred. Leasehold improvements are amortized over the remaining lease term, or the useful lives of the improvements, whichever is shorter. Depreciation is provided using the straight-line method over the estimated useful lives of the related furniture, equipment, and computer hardware, which range from five to seven years.

Management evaluates the recoverability of the investment in long-lived assets on an ongoing basis and recognizes any impairment in the year of determination. Long-lived assets were tested for impairment as of June 30, 2019 and 2018, and, in the opinion of management, there was no impairment. However, it is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

[7] Website costs:

Website costs related to application development, site configuration and infrastructure, and conceptual design are capitalized. Costs relating to operation and support are expensed as incurred. JCF capitalizes website costs that have a cost of \$5,000 or more and a useful life greater than one year. Capitalized costs are amortized over a five year expected life using the straight-line method. At June 30, 2019, capitalized website costs are presented net of accumulated amortization of \$28,834.

[8] Accrued vacation:

Based on their tenure, employees are entitled to be paid for unused vacation time if they leave JCF. The accrued vacation obligation was \$135,102 and \$139,074 for fiscal-years 2019 and 2018, respectively, and is reported as part of accounts payable and accrued operating expenses in the accompanying consolidated statements of financial position. Employees may accrue up to one year of their vacation time.

[9] Net assets:

(i) Net Assets Without Donor Restrictions:

JCF has established four distinct types of philanthropic funds without donor restrictions:

- *Undesignated funds* (at times referred to as the operating fund), where the privilege of grant recommendation is given to the donor (and his or her designees) and the distribution of principal and income is governed by JCF grant guidelines. Grant-making is subject to the approval of JCF's Board of Trustees and its Charitable Distribution Committee.

[9] Net assets: (continued)

- *Designated funds*, where the beneficiaries and the schedule of distributions are established at the time of the gift and are approved by the Charitable Distribution Committee before JCF accepts the gift.
- *Semi-designated funds*, where the field of grant is limited to one or more functional areas and the responsibility is placed on JCF (through its Board of Trustees or the Charitable Distribution Committee) for designating the specific grant beneficiaries and scheduling such grants.
- *Funds functioning as endowment*, where the Board of Trustees and the Special Gifts Fund Committee have the responsibility for grant-making. The income and principal of these funds have been authorized by JCF to be available to meet the needs of the Jewish community, at home and abroad, at the recommendation of UJA and upon the approval of the Board of Trustees.

(ii) Net Assets With Donor Restrictions:

During fiscal-year 2013, JCF established a fiscal-sponsorship program whereby it serves as a sponsor for groups engaged in philanthropic activities related to JCF's mission. Funds received by JCF under this program are considered with donor restrictions until expenditures occur, and they are then released from restriction. During fiscal-year 2018, contributions in the amount of \$62,938 were received specifically for various fiscal sponsorships, and expenses in the amount of \$103,686 related to 2018 and prior years' fiscal sponsorships were incurred in satisfaction of the donors' intended purposes. There were no fiscal sponsorships in fiscal-year 2019.

[10] Revenue recognition:

Contributions and revenues are reported as increases in net assets without donor restrictions, unless otherwise specified by a donor. JCF retains the decision-making authority as to the use of these funds. Contributions are recorded as revenue when received unconditionally, at their fair values. Gains and losses on investments and other assets or liabilities are reported as increases or decreases in net assets without donor restrictions.

[11] Income taxes:

JCF is subject to the provisions of the Financial Accounting Standards Board's (the "FASB") Accounting Standards Codification ("ASC") Topic 740, *Income Taxes*, relating to accounting and reporting for uncertainty in income taxes. JCF is subject to potential unrelated business income tax relating to its investment activities; however, because JCF has always accrued a liability related to this tax and because of JCF's general tax-exempt status, management believes ASC Topic 740 has not had, and is not expected to have, a material impact on JCF's consolidated financial statements.

[12] Grants:

Grants made to others are recorded as an expense when they become unconditional promises to give by JCF, based on guidelines promulgated by the Board of Trustees. Generally, grants are paid within the year promised, and consequently there are no grant payables reported on the consolidated statements of financial position.

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

NOTE A - THE ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (continued)

[13] Functional allocation of expenses:

The costs of providing JCF's various grant and supporting services have been summarized on a functional basis in the consolidated statements of activities. The statements of functional expenses present expenses by function and natural classification. Accordingly, direct costs have been charged to the program and supporting services based on the nature of each expense. Indirect costs have been functionalized on the basis of utilization of resources by each JCF department and by employee time allocations.

In fiscal-years 2019 and 2018, management and general expenses in the accompanying consolidated statements of functional expenses included \$40,964 and \$823,300, respectively, related to JCF's philanthropic services for donors, which are expenses charged against the respective donor's fund upon utilizing these services.

[14] Adoption of accounting principle:

In August 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. ASU 2016-14 amends financial-statement presentations and disclosures. ASU 2016-14 includes qualitative and quantitative requirements in the following areas: (i) net asset classifications; (ii) investment returns; (iii) expenses categorizations; and (iv) liquidity and the availability of resources. ASU 2016-14 was effective for annual reporting periods beginning after December 15, 2017. Accordingly, JCF was required to adopt ASU 2016-14 for its fiscal-year ended June 30, 2019, which under U.S. GAAP is a change in accounting principle requiring retroactive application in the financial statements of certain areas, whereas certain other areas were adopted on a prospective basis. JCF's adoption of ASU 2016-14 had no effect on JCF's total net assets or its changes in net assets for fiscal-years 2019 and 2018; however, certain reclassifications were required. Accordingly, JCF changed its presentation of its net asset classes, added the statements of functional expenses and added certain footnote disclosures.

[15] Subsequent events:

JCF evaluated subsequent events through November 12, 2019, the date on which the consolidated financial statements were available to be issued.

JCF has certain funds invested in fixed-income securities (the "Portfolio"), which consist of agency mortgage-backed securities ("AMBS"), commercial mortgage-backed securities ("CMBS"), asset-backed securities ("ABS") and investment-grade corporate bonds. In addition, the Portfolio may invest in U.S. Treasury and agency securities and may also purchase U.S. Treasury futures for the purposes of managing duration and yield-curve exposure. A maximum of 30% of the total fair value of the Portfolio may be invested in ABS, CMBS and AMBS, and a maximum of 20% of the total fair value of the Portfolio may be invested in corporate-backed debt. The Portfolio must maintain an overall portfolio credit quality of AA or better. The average effective duration of the Portfolio may not exceed three years, and leverage is not permitted.

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

NOTE B - INVESTMENTS (continued)

ASC Topic 820, *Fair Value Measurements*, establishes a three-level valuation hierarchy for fair-value measurements. These valuation techniques are based on observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. These two types of inputs create the following fair-value hierarchy:

- Level 1: Valuations are based on observable inputs that reflect quoted market prices or published in active markets for identical investments, at the reporting date.
- Level 2: Valuations are based on: (i) quoted prices for similar investments in active markets; or (ii) quoted prices for identical, or similar investments, in markets that are not active; or (iii) pricing inputs other than quoted prices that are directly or indirectly observable at the reporting date.
- Level 3: Valuations are based on pricing inputs that are unobservable and include situations where there is little, if any, market activity for the investments, or the investments cannot be independently valued.

Certain of JCF's investments are valued using NAV (or its equivalent unit) as a practical expedient of fair value. JCF uses NAV (or its equivalent unit) to measure the fair values of the private equity limited partnership, funds of funds, equity hedge funds, and pooled investments. The use of the practical expedient is applicable for investments which (i) do not have a readily determinable fair value; and (ii) the financial statements of which were prepared by the respective investment managers, consistent with the measurement principles of an investment company or that have the attributes of an investment company. Investments valued at NAV (or its equivalent unit) are not required to be categorized within the fair-value hierarchy and, accordingly, have been excluded from the fair-value hierarchy.

JCF's investments are subject to various risks, such as interest-rate, market, and credit risks. Due to the level of risk associated with certain of JCF's investment securities, it is at least reasonably possible that changes in the values of those securities could occur in the near term and that such changes could materially affect the amounts reported in the consolidated financial statements.

The availability of market data is monitored to assess the appropriate classification of financial instruments within the fair-value hierarchy. Changes in economic conditions or valuation techniques may require the transfer of financial instruments from one level to another. In such instances, the transfer is reported at the beginning of the reporting period. During fiscal-years 2019 and 2018, there were no transfers among the fair-value hierarchy levels.

The following tables summarize the fair values of JCF's assets at each fiscal year-end, in accordance with the ASC Topic 820 valuation levels:

The following provides information on the valuation techniques and nature of significant unobservable inputs used to determine the value of Level 3 assets:

	Valuation Techniques	Fair Value at June 30, 2019	Unobservable Inputs	Range of Inputs
Not-readily-marketable securities	Market approach	\$ 200,204,091	Price to tangible book value multiple	1.09

Private corporate bonds	Income approach	\$ 925,000	Expected recovery	0%

The fair values of certain bonds and non-readily-marketable securities are based on expected recovery and maturity to yield, which are determined by JCF's assumptions about the estimated remaining lives, current market yields, and the interest-rate spreads of similar securities.

The following table lists investments in other investment companies by major category:

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

NOTE C - PROPERTY AND EQUIPMENT

At each fiscal year-end, property and equipment consisted of the following:

	June 30,	
	2019	2018
Furniture and equipment	\$ 220,699	\$ 220,699
Computer hardware	20,511	20,511
Leasehold improvements	115,909	115,909
	357,119	357,119
Less: accumulated depreciation and amortization	(84,920)	(13,495)
	<u>\$ 272,199</u>	<u>\$ 343,624</u>

NOTE D - MANAGEMENT FEE ALLOCATION

To pay its operating expenses, JCF charges an administrative fee to all donor-advised funds as described below, with amounts exceeding \$5,000,000 being eligible for a reduced, sliding-scale fee structure. Fees were calculated on average daily balances as follows:

Account Balance	Administrative Fee (Per Annum)
Assets up to \$5,000,000	75 basis points or \$150, whichever is greater
Additional assets between \$5,000,000 and \$20,000,000	50 basis points
Additional assets between \$20,000,000 and \$40,000,000	10 basis points
Additional assets exceeding \$40,000,000	5 basis points

The administrative fee is charged monthly, and it reduces the value of the donor-advised funds and increases the value of JCF's operating fund. Administrative fees and interest income, in excess of operating expenses up to an amount of \$2,000,000, are granted out to UJA. Administrative fees and interest income in excess of operating expenses greater than \$2,000,000 may be divided among grants to UJA, increases to JCF's Special Gifts Fund, and a reserve for capital projects. The total administrative fee was \$8,692,169 and \$8,365,206 for fiscal-years 2019 and 2018, respectively.

NOTE E - EMPLOYEE-BENEFIT PLANS

[1] Defined-contribution plan:

UJA, the sole member of JCF, sponsors a defined-contribution Section 403(b) plan, in which JCF employees may participate, in compliance with the Employee Retirement Income Security Act of 1974 ("ERISA"). Plan participants are required to make contributions to their plan accounts in the form of payroll deductions, up to the maximum allowed by federal law. JCF does not contribute to the plan.

NOTE E - EMPLOYEE-BENEFIT PLANS (continued)**[2] Defined-benefit plan:**

JCF employees may participate in the Retirement Plan for Employees of the United Jewish Appeal - Federation of Jewish Philanthropies of New York, Inc. and Affiliated Agencies and Institutions, a defined-benefit pension plan sponsored by UJA and subject to the provisions of ERISA. The plan is filed under the Employer Identification Number 51-0172429 and Pension Plan Number 333. Eligible employees of JCF participate automatically in this plan on a noncontributory basis and are fully vested after five years of service. Required annual zone certification and financial improvement or rehabilitation plan disclosures are not applicable to the plan. The plan is at least 80%-funded using the most recent financial information as of October 1, 2018, the beginning of the plan year. Total expenses for fiscal-years 2019 and 2018 for this plan were \$210,394 and \$248,093, respectively.

[3] Deferred-compensation plan:

JCF contributes to a deferred-compensation plan for two of its key employees. Annual contributions to the plan are subject to Internal Revenue Code limitations. For fiscal-years 2019 and 2018, contributions to the plan were \$37,500 and \$36,500, respectively.

NOTE F - RELATED-PARTY TRANSACTIONS**[1] UJA and JCF:**

UJA, the sole member of JCF, provides JCF with pension-participation, and various management services, such as payroll and related processing, and insurance coverage, for which JCF reimburses UJA. For fiscal-years 2019 and 2018, JCF reimbursed UJA for these costs in the amounts of \$3,251,935 and \$3,084,040, respectively. During fiscal-year 2019, JCF awarded grants to UJA totaling \$21,625,055 of which (a) \$2,000,000 represented grants from JCF's operating fund, (b) \$1,002,179 represented grants from the Special Gifts Fund, and (c) \$18,622,876 represented grants from donor-advised funds. For fiscal-year 2018, JCF awarded grants to UJA totaling \$23,027,388, of which (a) \$2,155,180 represented grants from JCF's operating fund, (b) \$853,346 represented grants from the Special Gifts Fund, and (c) \$20,018,862 represented grants from donor-advised funds. The expenses related to these transactions appear in the accompanying consolidated statements of activities and the consolidated statements of functional expenses.

[2] Grants Awarded:

In addition to the grants awarded to UJA described above, JCF made grants from donor-advised funds in the amounts of \$9,664,706 and \$12,728,144 for fiscal-years 2019 and 2018, respectively, to organizations that have trustees, family members, and/or key employees in common with JCF's Board of Trustees.

[3] Investment Fund:

JCF participates in UJA's pooled investment fund. As of June 30, 2019 and 2018, JCF owned 0.66% and 0.72% of the fund, the investments of which were valued at \$6,462,431 and \$7,503,955, respectively.

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

NOTE G - COMMITMENTS

[1] Lease:

During fiscal-year 2018, JCF moved its office space to a new location within the same building. JCF amended the original lease agreement and is now obligated under a non-cancellable operating lease that expires in March 2028. As of June 30, 2019, minimum future lease payments are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2020	\$ 539,000
2021	544,250
2022	560,000
2023	560,000
2024	560,000
Thereafter	<u>2,211,417</u>
	<u>\$ 4,974,667</u>

[2] Other contracts:

In the normal course of operations and activities, JCF enters into various contracts for professional and other services, which are typically renewable on a year-to-year basis.

NOTE H - BOARD-DESIGNATED ENDOWMENT

[1] The endowment:

As discussed in Note A[9], JCF has an endowment fund without donor restrictions (Special Gifts Fund), from which grants are approved by the Board of Trustees.

Changes in endowment net assets during each fiscal year were as follows:

	<u>Year Ended June 30,</u>	
	<u>2019</u>	<u>2018</u>
Endowment net assets, beginning of year	\$ 18,493,767	\$ 17,595,180
Investment return:		
Net appreciation (realized and unrealized)	775,186	1,751,933
Appropriation of endowment assets for grant expenditures	<u>(1,002,179)</u>	<u>(853,346)</u>
Endowment net assets, end of year	<u>\$ 18,266,774</u>	<u>\$ 18,493,767</u>

[2] Return objectives and risk parameters:

JCF has adopted investment and spending policies for endowment assets designed to provide a predictable stream of funding to programs that meet the needs of the Jewish community, at home and abroad, while seeking to maintain the purchasing power of the endowment assets. Under these policies, as approved by the Board of Trustees, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of the S&P 500 Index while assuming a moderate level of investment risk.

NOTE H - BOARD-DESIGNATED ENDOWMENT (continued)**[3] Strategies employed for achieving objectives:**

To satisfy its long-term rate-of-return objectives, JCF relies on a total-return strategy in which investment returns are achieved through capital appreciation (both realized and unrealized) and current yield (interest and dividends). JCF targets a diversified asset allocation within prudent risk constraints.

[4] Spending policy and related objectives:

JCF has a policy of appropriating, for distribution each year, a percentage of its endowment fund's average fair value over the prior 12 quarters through the calendar year-end that precedes the fiscal year in which the distribution is planned. The appropriation spending rate was 5% for both fiscal-years 2019 and 2018, respectively. In establishing this policy, JCF considered the long-term expected return on its endowment. Accordingly, over the long term, JCF expects the current spending policy to allow its endowment to maintain the purchasing power of the endowment's net assets, as well as to provide additional real growth through investment returns.

NOTE I - LIQUIDITY AND AVAILABILITY OF RESOURCES

The following reflects JCF's financial assets as of the consolidated statement of financial position date, reduced by amounts not available for general use within one year of June 30, 2019 because of redemption restrictions or Board designations.

JCF's financial assets available within one year of the statement of financial position date for general expenditure including operating expenses and scheduled grant payments, are as follows:

Cash and cash equivalents	\$ 64,713,185
Investments (excluding private investments with liquidity restrictions)	1,701,888,708
Amounts due from investment managers	13,880,823
Accrued income	<u>1,621,971</u>
Total financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,782,104,687</u>
Less: amounts unavailable to management without the Board's approval:	
Designated and semi-designated fund	(11,719,272)
Fund functioning as endowment	<u>(18,266,774)</u>
Total financial assets available to meet cash needs for general expenditures within one year	<u>\$ 1,752,118,641</u>

Liquidity policy:

JCF maintains a sufficient level of operating cash and investments, (excluding certain private equity limited partnerships, fund of funds and long/short equity hedge funds and limited partnerships due to various restrictions on liquidity) to be available as its grants, general expenditures, liabilities, and other obligations come due, as part of JCF's liquidity management. Additionally, JCF has a reserve fund and a board-designated fund functioning as an endowment whereby amounts could be made available for current operations, if necessary; however JCF does not intend to spend these funds for purposes other than those approved by the Board of Trustees.

Notes to Consolidated Financial Statements

[June 30, 2019 and 2018]

NOTE J - CREDIT RISK

Financial instruments that potentially subject JCF to concentrations of credit risk consist principally of cash and cash-equivalent accounts that are deposited in financial institutions in amounts which, from time to time, may exceed federal insurance limits. However, management believes that JCF does not face a significant risk of loss on these accounts as the result of failures of these financial institutions.
