JCF's First Half-Century: A Timeline

## ABOUT JEWISH COMMUNAL FUND

Now 50 years strong, the Jewish Communal Fund (JCF) is the largest and most active network of Jewish funders in the nation. JCF facilitates philanthropy for more than 9,000 people associated with 4,500 funds, totaling over \$2.5 billion in charitable assets. In FY 2022, our generous Fundholders granted out nearly \$600 million—24% of our assets—to charities in all sectors, including education, social services, health, culture and a wide range of Jewish causes.

The impact of JCF's network of funders on the Jewish community and beyond is profound. In addition to an annual unrestricted grant to UJA-Federation of New York, JCF's Special Gifts Fund (our endowment) has granted more than \$23 million since 1999 to support programs in the Jewish community at home and abroad, including kosher food pantries and soup kitchens, COVID-19 and disaster relief, day camp scholarships for children from low-income homes, and programs for Holocaust survivors. These charities are selected with the assistance of UJA-Federation of New York.

For a simpler, easier, smarter way to give, look no further than the Jewish Communal Fund. To learn more about JCF, visit [jcfny.org](http://jcfny.org) or call us at 212.752.8277.

# Letter from the President and CEO

*"We were honored to take the reins of the Jewish Communal Fund during a very important year—the celebration of JCF's 50th anniversary."*

We are continually inspired by the generosity of donors like you. In FY 2022, JCF Fundholders recommended a record-breaking 80,500 grants totaling nearly \$600 million to nonprofit organizations in every sector. As a collective, we distributed 24% of charitable assets under management.

JCF is proud to celebrate five decades of helping Fundholders be more intentional and strategic with their charitable giving. We especially salute the numerous families who have had funds with JCF since our inaugural year in 1972. The founders of these funds believed in the Jewish value of tzedakah and transmitted these values to their families. Many of these funds are now in the hands of the second or third generations, carrying out the charitable legacy passed onto them by their parents and grandparents. "Our family has a spiritual gene for giving charity," one of these Fundholders told us. "A day that goes by without helping others is a day that's gone lost."

By streamlining your charitable giving with a JCF fund, you enable us to make an annual \$2 million unrestricted grant to UJA-Federation of New York to support local Jewish programs and initiatives. Since 1999, our endowment—the Special Gifts Fund—has granted out more than \$23 million to enrich the lives of the diverse members of our broader community.

In FY 2022, the Special Gifts Fund granted \$1.12 million to support a wide range of important causes. JCF quickly sent a \$500,000 emergency grant to UJA's Ukraine Crisis Response Fund. As part of JCF's ongoing commitment to the digitization of kosher food pantries, we helped support the JCC Staten Island's Upward New York Digital Food Pantry. Another grant created a safe space for victims of domestic violence and for legal assistance at UJA's new Brooklyn Hub. The JCF Special Gifts Fund has long believed in the importance of Jewish camping, and this year's grants provided mental health care at multiple Jewish day camps. Together, we are making a profound impact on the Jewish community.

It has been our privilege to be your trusted philanthropic partner for over 50 years. Thank you for your continued partnership.

# Celebrating 50 Years of Philanthropic Stewardship

Jewish Communal Fund takes great pride in our mission of facilitating our Fundholders' charitable giving. We're celebrating our half-century of exemplary service to our Fundholders and a commitment to supporting the Jewish community that dates back to 1972, when JCF was founded. Herbert Singer was the founding president of JCF, and served from JCF's inception in 1972 through 1987. Together with his law partner Richard Netter, Sanford Solender, and other Federation and UJA leaders, they established the Jewish Communal Fund, a donor advised fund to serve the Jewish community of greater New York.

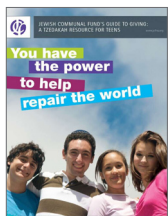

Since its inception, JCF has been blessed with a wealth of talented and passionate leaders. Our diverse donor base represents every sector of the Jewish community, and our grantees are a reflection of that diversity.

## Educating and Engaging Fundholders of All Ages

Jewish Communal Fund educates and engages our funder community on best practices in the field. Throughout the years, we have produced a large array of educational resources to help our Fundholders be more strategic and thoughtful with their charitable giving.

## 50 years of making charitable giving simple and efficient

In the early years, Jewish Communal Fund managed \$4 million in assets for fewer than 200 donors and distributed \$698,000 in grants. Five decades later, our tradition of prudent management, accountability and treating our donors with the utmost integrity and respect has helped us grow to more than 4,500 funds and \$2.5 billion in assets. Our impact has grown dramatically as well.

In the 50 years that Jewish Communal Fund has been facilitating charitable giving, over \$2 billion has been contributed to thousands of worthy causes in communities around the world. This special sixth annual Giving Report celebrates JCF's first half-century of impact and sets the stage for all that JCF will accomplish in the next 50 years.

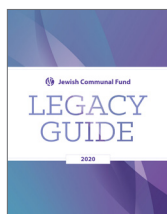

## Giving with JCF from the Beginning

We're honored to serve the families who continue to use the funds that they opened in JCF's inaugural year:

# Jewish Communal Impact

When Fundholders choose JCF to facilitate their charitable giving, they are making a powerful statement about giving as a Jewish collective to a broad range of charitable causes in all sectors.

JCF Fundholders also benefit from “double bottom line” returns—their fees are reinvested in the Jewish community in the form of a \$2 million gift to the UJA-Federation of New York’s annual campaign, as well as Community Gifts to Jewish organizations from JCF’s endowment, the Special Gifts Fund.

Jewish Communal Fund Fundholders granted **\$36 million** to UJA-Federation of New York in 2022. In addition, JCF makes an unrestricted Community Gift of \$2 million each year to UJA. **Since 1972, JCF has distributed over \$536 million to UJA.**
