ABOUT JEWISH COMMUNAL FUND

Jewish Communal Fund (JCF) is the largest and most active Jewish donor advised fund in the nation. JCF makes charitable giving simple, efficient, and secure. Our Fundholders report a 95% satisfaction rate, and many families have been with JCF for three generations. Highly regarded for its prudent management and personal service, JCF takes pride in being a resource for the Jewish community.

The impact of JCF's network of funders on the Jewish community and beyond is immense. In addition to an annual unrestricted grant to UJA-Federation of New York, JCF's Special Gifts Fund (our endowment) has granted more than \$26 million since 1999 to support programs in the Jewish community at home and abroad, including Israel emergency funding, kosher food pantries and soup kitchens, COVID-19 and disaster relief, day camp scholarships for children from low-income homes, and programs for Holocaust survivors. These charities are selected with the assistance of UJA-Federation of NY.

Jewish Communal Fund provides a simpler, more intentional, smarter way to give. To learn more about JCF, visit jcfny.org or call us at 212.752.8277.

Letter from the **President and CEO**

2023 marked a monumental year for the Jewish Communal Fund, a testament to the extraordinary generosity that defines our community. Throughout the fiscal year (July 1, 2022–June 30, 2023), JCF proudly distributed over \$900 million to more than 10,600 charities. These nearly 80,000 individual grants ranged from \$36 to transformative gifts reaching tens of millions of dollars.

JCF remains steadfast in its commitment to enriching the Jewish community through our communal gifts. In addition to a \$2 million unrestricted contribution to UJA, we proudly awarded over \$2 million to critical causes detailed on pages 12-13. These strategic investments empower essential services such as hunger relief, disability support, enriching camp experiences, and upgraded communal security.

A Community in Action: **Responding to Crisis**

While the barbarous attacks of October 7. 2023, fell beyond our fiscal year, this harrowing date will forever mark our collective Jewish identity. It also profoundly impacted the way we give. JCF Fundholders demonstrated immediate and unwavering support for Israel, directing resources to broad-based efforts like the UJA Israel Emergency Fund and targeted interventions by emergency response teams, hospitals, mental health providers, and kibbutzim. Recognizing the urgency of the situation, JCF's Executive Committee swiftly allocated an additional \$500,000 from JCF's Special Gifts Fund to UJA's Israel Emergency Fund on October 8. This outpouring of support underscores one of JCF's core strengths: the ability to leverage predesignated funds to respond effectively during crises.

Philanthropy with Purpose: A Reflective Look

The 2022 survey of American Jewish Philanthropy by the Lilly Family School of Philanthropy highlights a unique trend-Jews are more likely to contribute to nonreligious charities than are individuals of other faiths. This commitment to broader societal well-being is reflected within JCF. While 40% of our grant dollars went to Jewish organizations, a significant portion, 60%, supported non-Jewish causes. However, every single grant carries the powerful imprint of the Jewish Communal Fund, ensuring that recipients recognize the collective generosity of our community.

Since 1972, JCF has been a trusted partner in facilitating impactful philanthropy. Thank you for entrusting us to amplify your compassion and fuel positive change.

Facilitating Philanthropy

As the leading Jewish donor advised fund in the country, the Jewish Communal Fund has a singular mission: to help our Fundholders get better at giving back.

For over 50 years, we've helped our Fundholders make their charitable giving simpler and more tax-efficient—and along the way, we've made a profound impact on our community. In addition to our Fundholders' giving—totaling over \$907 million in FY 23—JCF's endowment donates millions of dollars to Jewish communal institutions and charities.

Smarter, more intentional giving.

In our annual JCF Giving Report, we provide updated data and research capturing giving trends within the Jewish community, as seen from one of the longest-running donor advised funds in the country. JCF continues to play a critical role in facilitating charitable giving for a wide spectrum of Jewish philanthropists of varying means, ages, interests, and religious affiliations.

"At JCF, our Fundholders embody the vibrant diversity of the Jewish community, and the array of secular and nonsecular charitable organizations they support mirrors this richness."

Jewish Communal Impact

When Fundholders choose JCF to facilitate their charitable giving, they are making a powerful statement about giving as a Jewish collective to a broad range of charitable causes in all sectors.

JCF Fundholders also benefit from "double bottom line" returns—their fees are reinvested in the Jewish community in the form of a \$2 million gift to the UJA-Federation of New York's annual campaign, as well as Community Gifts to Jewish organizations from JCF's endowment, the Special Gifts Fund.

Jewish Communal Fund Fundholders granted \$25.8 million to UJA-Federation of New York in 2023. In addition, JCF makes an unrestricted Community Gift of \$2 million each year to UJA. Since 1972, JCF has distributed over \$562 million to UJA. 58,091

Jewish Values Impact Investments

JCF is committed to creating positive social impact beyond grantmaking. As such, we offer an array of impact investments that align with our mission as the largest Jewishly affiliated donor advised fund in the country. These offerings provide a distinct value-add for our Fundholders, giving them the opportunity to maximize their impact with their investments, in addition to their active grantmaking. They enhance the ESG and socially responsible investment options already on our platform.

The JLens Jewish Advocacy Strategy is a values-based S&P 500 Index strategy that aligns with Jewish values and advocates for communal concerns in the Socially Responsible Investing and Corporate Social Responsibility movements.

VanEck Israel ETF (ISRA) seeks to replicate as closely as possible, before fees and expenses, the price and yield performance of the BlueStar Israel Global Index (BLSNTR), which is comprised of equity securities of publicly traded companies that are generally considered to be Israeli companies.

JCF offers two types of Israel Bonds: the Maccabee Bond and the Jubilee Bond. The Bonds organization has been a catalyst for Israel's rapid evolution from a struggling agrarian nation to a global economic powerhouse and innovative wonder.

The JCF-HFLS Social Impact Loan Program, an innovative partnership with the Hebrew Free Loan Society, allows JCF Fundholders with accounts of \$100,000 or more to recommend that a portion of charitable assets go to interest-free loans to help lower-income borrowers get back on their feet financially or invest in a brighter future. When the two-year term is up, 100% of the loan amount is returned to the Fundholder's account to be granted out to charity or reinvested. Since the program's launch in November 2018, JCF Fundholders have provided more than \$4.65 million in interest-free loans to HFLS borrowers.

The JCF-Ogen Israel Impact Loan Program offers JCF Fundholders the opportunity to maximize their social impact in Israel today in a way that returns money to their fund for future grantmaking and impact investing. Ogen provides affordable, life-changing loans and financial mentoring to low- and middle-income Israelis, small businesses and not-for-profit organizations in Israel.
