Notes:

-Included in the BlackRock Treasury Trust value is an allocation to the JPMorgan Treasury Money Market Fund which historically has been approximately 10% of the total allocation and is not expected to exceed 25%.

-Performance figures are net of related management fees and do not include the Jewish Communal Fund's administrative fees.

-The aggregate asset allocation represents the distribution of investments among these 31 investment options. As of February 29, 2024, 3.7% of JCF's assets were invested in Pre-Set Portfolios and 36.6% of JCF's assets were invested in other privately managed accounts that require a minimum investment of \$500,000 and are not listed in this chart.

-Each fund has a benchmark to help gauge performance. Benchmarks on this chart are set by JCF's investment consultants, Mercer. Contact the respective manager for their benchmark.

-The above performance estimates are based on estimates received from administrators and managers and are subject to change. Manager performance information was obtained from sources believed to be reliable; however, no assurance of its completeness or accuracy can be made. Past results are not necessarily indicative of future results.
